

Unmatched Inventory. Unrivaed Expertise. Unbeatable Service.

American Underground Supply is a Woman-Owned Small Business that serves utility contractors and municipalities as a leading distributor of pipe, valves, fittings and tools, and a top provider of waterworks services and equipment rentals. We are 100% independent, and we have delivered practical solutions and timely results to customers since 2011.

We work with customers and effectively tailor solutions to meet project needs, specifications, and deadlines. We are equipped to quickly mobilize our dedicated staff and fleet of trucks to provide same-day delivery options. We are adaptable and flexible—simply put, our team's goal is to find a way to YES.

- **We are problem-solvers. There is no script or cookie-cutter formula. We use our expertise to identify solutions that fit within the blueprint of each customer's project.**
- **Our reputation matters. Referrals from satisfied customers have fueled our company growth for years. We are dedicated to ensuring that your needs are met.**
- **Our five locations each include warehouse and yard storage space to accommodate a vast inventory of supply. We operate a variety of delivery trucks at every location. We have staff on site with decision-making power ready to assist customers.**
- **We operate cutting-edge technology and upgraded equipment to increase efficiencies and decrease costs.**
